Greenville Jr. High School - Welcome and Information Letter

Welcome to the 2020-21 school year! We know things are going to look different this year, but we are turning **DIFFERENT into AWESOME!** We wanted to share some information to help answer some questions. As always, feel free to check the school or district website to get answers to questions you may have (gjh.bccu2.org or bccu2.org). You can also call the school (664-1226) or email Mrs. Loucks or Mr. Brauns (aloucks@bccu2.org or gbrauns@bccu2.org).

Schedules: Student schedules are available on Skyward Family Access. Students assigned to the A schedule will attend school in person on Mondays and Wednesdays and do remote learning on Tuesdays, Thursdays, and Fridays. Students assigned to the B schedule will attend school in person on Tuesdays and Thursdays and do remote learning on Mondays, Wednesdays, and Fridays. Students who chose online learning will complete all coursework online. Schedules will be handed out the first day of school. If you are not sure what day your child attends, please call the school office.

Drop Off and Pick Up: Students dropped off by parents will enter through the main office doors (not the event entrance). Bus riders will enter through the double doors on the west side of the building. Students will go straight to their first hour class after arriving at school. Students who are parent pick up will exit through the main office doors. Social distancing must be maintained and masks must be worn during drop off and pick up.

Lockers/Backpacks: At this time, students will not be assigned lockers. They will keep their backpacks with them during their classes. All students will need a backpack.

Water Bottles: All students are required to bring a clear plastic water bottle to school. The lid should be completely closed to avoid spills.

Other Supplies, Ear Buds: Please review the school supply list on the GJHS website (gjh.bccu2.org). Please note, all students are required to have their own ear buds.

Masks: Masks are required for all students and staff. They will be worn when inside except when eating. If students are outside and socially distanced, they may remove their masks.

Visitor Limitations: Only students and staff will be allowed to enter GJHS. If you need to pick up your child early, please call the office. We will send your student out when we see you. If you need to drop something off, please use the buzzer system outside the main doors to communicate with the secretary.

Cell Phones: If students choose to bring cell phones to school, they must remain off and in their backpacks for the entire day, including bus rides.

Need a Device: If your student needs a device for online learning or remote learning days, please contact Mrs. Loucks in the office (664-1226/aloucks@bccu2.org). Please be patient as we do our best to distribute devices while ensuring we have enough for in person school days.

Gary Brauns, Principal

Allyson Loucks, Secretary
