

Greenville Jr. High School
Sports Policies - Spring 2021

Teams:

- Teams should arrive no more than 15 minutes prior to game time.
 - Visiting teams will enter through the event entrance on the east side of the building.
 - Locker rooms will not be available for home or visiting teams before games or at halftime. Players should arrive dressed and ready to warm up. Locker rooms may be used by players for restroom use.
 - Visiting teams are responsible for temperature and symptom checks prior to arrival at GJHS.
- Only players in uniform, coaches, bus drivers, and administrators will be allowed in the gymnasium.
- Teams must remain in their designated area. This includes all players during all games.
- All players and anyone accompanying the team must wear a face covering at all times.
- Players must bring their own individual towels, drinks, face coverings, and other equipment.
 - GJHS will not provide equipment other than basketballs/volleyballs to be used for warm ups.
 - No concessions will be sold at games.
- No cheerleaders from the visiting team will be allowed at games.

Spectators:

- No spectators are allowed from visiting teams.
- Home team spectators:
 - **Currently, no spectators are allowed at GJHS sporting events.**
 - If spectators are allowed, each player will be allotted a certain number of tickets. One ticket will be required for each person (infants, small children, etc., will each need a ticket to enter).
- No concessions will be sold at games.
- **It is our priority to get your kids a chance to play this season. That means family and friends sacrificing the opportunity to see games in person. While we would love to have normal events, we must take certain precautions to ensure that the seasons go forward. We appreciate your support.**

Streaming:

- We intend to stream home games. We cannot guarantee that every game will be recorded. Most teams we play will be live streaming as well. Access can be gained by going to that schools website.
- To access our youtube channel, go to:
